“ *Took me awhile to get here and gather my thoughts because disbelief and shock aren't even the proper words to describe the passing of one of the most loving, caring and giving people I know. Thank you Bernie for taking me in as your own and loving me as you did! I could never repay you for all you've done for me & Maliyah. You were one of the first people I trusted with my daughter at only a month old with good reason. I will never forget all the good times we had at the Rachel gardens house, just you, Nichole, me and Alajiah. Those memories will never be forgotten or replaced as well as you. Please watch over me and Maliyah through this crazy thing called life, please come visit Maliyah in her sleep, so she can see what an amazing women you are. We miss you truly. ❤️*
Love, Carly & Maliyah.

“ Thankful that I had the chance to meet you within the time God loaned you to this world. One thing that I will always remember from you is the power of prayer and how important it is to never turn down a request for prayer from anyone who asks. Dear God I ask you to cover each and every person who is affected by this great loss. Put smiles in their hearts when they feel the saddest and put strength in their souls when they feel the weakest. I ask for special covering over my friend Nichole- guide her heart, her path, thoughts and steps as you would see fit. Help her heart to heal properly and allow her to feel your presence and to understand that even when she feels alone, she never really is alone. Rest in peace beautiful. Thank You.

“ Ms. Bernice was one of the nicest, sweetest, most loving person I've ever met. Nichole is one of my best friends from JHS I remember when she had a sleepover and Ms. Bernice was cracking jokes & made us some food. I always followed up with her via social media. Shes always the life of the party & definitely living it up. She always had me laughing watching her videos cause she was so turned up enjoying life. You will be missed & we love you

“ My Auntie Bernice was one the kindest people could ever meet. She's extremely funny and always a good time. We went on vacation to The Dominican Republic two years ago and had such a great time from beginning to end. I will forever cherish the memories that we've created over the years. I'm definitely going to miss the laughs, food, and the talks. Love you always Auntie Bernice ❤️❤️

*Bernice , we are heartbroken that a day like this has come so soon. We were not prepared. Nonetheless, we love you and will as we do, make the best of this new normal. Tho you are just a thought away, the physical you is missed very much. I enjoyed you very much as a sister-in-law, your cooking, the laughs, your kindness. May your journey be one of ease as your ancestors embrace you in their love and guidance. Know that while here, you were loved and there will always be a place at the table for you. RIP beloved sis ♥

“ Auntie, pen cannot inscribe how significant you are to me. Your presence and youthfulness was one that no other person could replicate, ever. You are the most genuine and kindhearted person I've known, so caring and selfless. You always put other's before you and cared for them as if they were your own. I appreciate that about you and much more. Thank you very much for all that you have done for me and others. For the beautiful guidance and support that you have gifted me, all of the funny jokes we used to play with one another, and your endless love I want you to know that you will always be thanked as all of those things will continue to remain here on this earth. I love you very much Auntie, many blessings for you. May you rest peacefully up above in heaven angel. Fly high like the butterflies, those were your favorites.

“ Dear Bernice, I will always remember how you got me to eat things that I had never tried before.... I didn't even know what ox tail was...lol... and the Super Bowl Box that you had to explain to me! You always gave me Box 33... I have played that box every year since and will continue in your honor... Thank you for bringing all those things and many more into my life... give Chewy a big hug, oh how we cried that day.... Rest in peace dear friend, I will never forget you

“ *Bernice is such an amazing colleague and hard worker. She was my "go to" when I had any challenges with my financials at our workplace. When she left our company, I remember thinking about the late nights...really late nights...when she would somehow still be working away and helping us all.*

Rest in peace Bernice!

“ *Bernice and I both would often work late hours and she would say hurry up we aren't sleeping here you know (LOL) and I'm waiting on you so that you not here alone. She would bring me all sorts of food to try and we would go to Century 21 during lunch. The most memorable thing about Bernice was her cubicle it was such a representation of her love. It was filled with photos and memories of her family from her kids, siblings, and grandchildren. She used to always say that Nichole keeps her young 😊*

Bernice thanks for being you and gracing us with your honesty, love and laughter.

You will be missed and may you rest in peace.

“ I miss you so much my sunshine.. Thank you for all the moments we spent together! I love you. <3

*Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone
And she's always gone too long
Anytime she goes away*

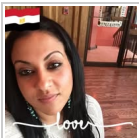

*Wonder this time where she's gone
Wonder if she's gone to stay
Ain't no sunshine when she's gone
And this house just ain't no home
Anytime she goes away*
