

## Bertha DeWire

July 6, 1939 - January 9, 2025

Passed away on January 9th 2025 at 12:57am in Orlando Florida. She leaves behind her two children: Yvonne and Todd, as well as her six grand babies: Amanda, Jennifer, Jessica, Brittany, Jeremy and Justin. As well as, three great grand babies: Jayden, Samantha and Zackery.

Beth was preceded by her father Austin, mother Katherine, brother Edward and her great grandbaby Olivia Rose. Beth was survived by her sisters Mary, Shirley, Barbara, Joyce and her brother Austin.

Beth was a very spunky, outgoing and outspoken person. To know her was to love her. She worked hard always, having two or more jobs to support and take care of her family.

She was known as Nee Nee to her grand babies and great grand babies, as well as many others who knew her. She put herself through college at fifty years old to better her and her family's life and she succeeded.

Beth was an adamantly proud member of the American Legion and Moose clubs. She made sure to participate in the majority of all of their special events. She also worked within both as much as she was physically able.

Beth was loved by so many in her glorious 85 years of life. She was unable to

get through a vast majority of her years without the companionship and support of her life partner Robert Clark and her partner in crime Linda Goforth.

She was a beautiful soul, she will be missed dearly, but absolutely never forgotten.

We love you Nee Nee. XOXO

“ I am saddened by the loss of my very good longtime friend. Beth was such a strong individual and if you needed advise or help, she was there for you. God has you now. I will miss you very much.

“ I'm so saddened to hear this news. Beth always had such a fun personality and was always so nice to me. I'm so happy I got to give her a hug the last time I saw her. We shared our love for Betty Boop memorabilia. Fly high Beth ❤️

“ One of the best and most kind hearted people to ever be in my life. Yet also one of the most outspoken and stubborn people to be in my life. She was a magnificent person all the way around and I could not have asked for a better Nee Nee! She will be forever missed by me and everyone she has ever met! I love her more than I can express in words.

“ Met Beth in 2005 when I came to work at a doctors office, that she still worked at until a few years ago. Beth was a tough little cookie and definitely a red head to her core! Loved hearing her stories and especially the one at Sullivans country bar back in the day where she met Conway Twitty; if you know, you know LOL. Known as Grandma Beth to my kids. She will be greatly missed

I had the honor of knowing Beth since 2006. She was a spitfire but always on top of her game. I never knew someone that loved Betty Boop as much as she did. She will be missed. Rest in peace.

Everyone who knew Beth loved her she could be so ornery at times and so blunt spoken, but she had a heart of gold. She will be missed dearly.

“ Beth was my friend, my "ride or die," my "sister from another mister." We have known each other for 56 years and we have been there for each other through good and bad. When she made me mad, I blamed it on her being a true redhead. She was a lot sometimes, but she was a true friend. I will miss her.

*Beth, was a very Dear Friend, whom I was so pleased that our path's crossed in this life. She was such a caring individual and will be missed by so many. I have known Beth at least 35 years, very hard working Auxiliary Sister. She and Bob were very nice people to be around. She enjoyed doing the Breakfast for the American Legion for so many years, and you could always depend on her, she was a dedicated lady, who said she would do a job, you knew she would be available. Fly High My Dear Friend, God saw you getting tired and now you are an Angel watching over us all. Love you Fran Ridgley and from heaven Lloyd Ridgley REST IN PEACE.*

*Beth was a great lady. She was hard working lady always volunteering at the American legion. I even saw her working at the Dixie chicken. She always made me laugh cuz she never took crap from anyone. She was a fire cracker for sure. You could always count on her to at the American legion every Tuesday evening for bingo. She loved bingo and would always be a winner. She will truly be missed. May you R.I.P Miss Beth*
