“ I met Betty when we came to Southside many years ago. She was a good friend and I enjoyed her so much. She was a beautiful person and we spent many happy times together. We went separate ways over the years but I never forgot her and I know that we will have a great reunion in heaven. May the Lord give Bob and Lance the comfort they need at this time.

“ I met Elizabeth, as she asked me to call her, several years ago at Pine Castle United Methodist. She had a great love for our Lord and also for the people of Israel. She told me of several experiences in Israel. One day I ran into her at a messianic synagogue in Sanford where we were both attending a special meeting. I always enjoyed talking to her as she loved the Lord so much. She is rejoicing in heaven now with Jesus! Soon we'll be reunited with her. May our Lord give great comfort to Bob and Lance.

“ I met Betty a couple years ago at Servants Heart. She called me brother right off. I liked her immediately .I could see Jesus in her and feel his love coming from her. I only encountered her that one time ,but I was impressed with her sweet spirit and beauty. There is joy in the presence of the Lord forever more .Betty is in the presence of the lord.

Until we meet again miss Betty.

“ I remember Betty and her husband Bob being so active in the early days of Southside. Betty loved the Lord and loved her Bible and it was so evident in the way she served her Lord and Master Jesus Christ at Southside Baptist Church. Her contagious smile and energetic spirit was always an encouragement to me to keep on keeping on for Jesus!

“ Elizabeth (the name she asked our prayer group to call her) was my very good friend, prayer partner, travelling buddy, and spiritual mom for over 15 years. She radiated Jesus and was a devout intercessor. I knew I could always count on her to pray for me and my family. She loved God's Word and was an avid reader. She taught me so much! I miss her hearty laugh! I can just see her in Heaven dancing and laughing with Jesus. I pray God's comfort and peace be ever with Bob and Lance.

“ I met Elizabeth at Calvary about 20 years ago. I saw then that she was a very giving person. She was quick to share the Scriptures, pray for any needs and just love on you! The most admirable quality Elizabeth extended to others is she always pointed you to Jesus who is the solution for all things. He was her first love and it showed in her demeanor, smile and the way she loved on others. What an example for the rest of us...to extend Jesus in everything we do! Praise God we will see her once again in Glory and her smile will be even brighter...

“ You did everything for our family....you took care of us....you taught us...you loved us and the way you expressed it was by living every moment of every day of your life to love Jesus more and to teach us that there is nothing more important than a relationship with Him...I love and miss you so much...so glad you are with Him now and your earthly journey is done !!!!

Aunt Betty (as I called her) was a warm , kind woman whom I loved very much. She was passionate in her beliefs, and loved her family and friends just as passionately. She will be greatly missed here on earth. She is home now❤️

“ I never had the pleasure of meeting Betty since I've only known Bob for not even quite a year yet . But in my experience the women that men marry have more character and are stronger than husbands themselves , which says a lot because Bob is quite the character himself so I'm sure I missed out on a lot .

But when the Lord calls me home I'm I'll have a perfect opportunity to meet her.

May the Lord help ease the pain for Bob and Lance and this time

“ I met Betty about 3 years ago. I never saw any "Christian" glow as much as she does.

Betty, I thank you sweet lady for your fine example of our Lord's love. You sweet lady deserve the new body and benefits you are now getting. We will enjoy many great moments once I get there with you.

*I love you,
