“ *Betty and I worked at Merillat and Gale Interior Solutions for almost 20 years. I am so happy that God brought Betty into my life. Betty was so sweet and kind. She was always available to hear about my joys, my sorrows and my woes.*

*Betty and I had lunch together two weeks before she was admitted to the hospital. Tina prepared a delicious lunch for us. We had a wonderful time together. We had planned to have lunch together once a month.*

*I will miss Betty.*
