“ I have so many sweet memories of my Aunt Joyce. When we were kids, we looked so forward to having Aunt Joyce, Uncle Art, Val and Art Jr. visit us in Florida on their vacations. As a kid, I was just amazed at all the different places the military took them. Aunt Joyce would always bring us unusual and amazing gifts from those places. That made her the "Super Coolest Aunt" ever to us kids! I still have the little turquoise fish necklace that she gave me from way back then. Another treasured memory that I have is the artwork that she painted and gave me years later. It hangs in my home and is a blessed reminder of my sweet Aunt Joyce. I quietly admired and will forever remember the grace and ease that she had about her. I'm thankful to have shared this life with her and am blessed in knowing that we will meet again. I pray that God's grace bless and keep all of her family. Tina Wright & J Doyle

“ *My heart is just broken for all of Mama Joyce's family. She was the matriarch of the family, and everyone went to her for compassion, comfort, a hug, or her delicious food.*

I will miss her being just a phone call away.

Mama Joyce was such a comfort to myself when I lost my own child.

I will truly miss all the great times I was blessed to spend with this exceptional lady. Mama Joyce gave me a gift a long time ago and for that I will always cherish her for.

The gift was "her love and her Family". Love to you Art & Val.

“ *I always loved going to Aunt Joyce's house when I was little. She would go shopping with me and Me-Ma and it was always fun. Loved sitting on the porch and just talking to her. I also loved eating anything she cooked. She told it like it was, as most the women in our family and would do anything for someone. She had a beautiful smile that I wish I had seen more recently. I love you Aunt Joyce and you will be very missed. May God bless your soul.*

“I will never forget her laugh and smile. I was actually thinking about it this morning and it made me giggle. She was an amazing woman and ex-mother in law, she had a way of always making me feel at home no matter where we were. She has finally made it to see Arthur and all I can vision is her grabbing on to him and smiling. I'm sure she gave him a kiss from all of us! My prayers go out to the whole Vermeulen family and the heart break you all are feeling. I love you all!

Art & Joyce have been very close friends since the early 1960's and have shared so very many special memories. We love them both very much and will truly miss being with Joyce. Our hearts go out to Art, Val, and the family and pray that God will guide and be with them in their sorrow. They can take comfort in knowing that Joyce is in a better place and will never suffer in pain again, and they will always have their beautiful memories of her.
