“ Tom, Patty & Mary,

It was been my great honor and privilege to spend these last days with your family. It has been a very sacred time with you as you cared for your mother and Aunt Mary. Thank you for this privilege during this time of deep loss. Beverly would be pleased with how you two have come together and are looking out for each other. Please be sure to look out for each another in the future. "Mom" will be looking out for you but expecting you to look out for each other, remember you are family. It is very difficult when your mom passing away life will never be the same, but know that you are the pride of her life. Mary, cast all your cares on the Lord because He cares and loves you. Remember God loves you all and may you feel and sense His loving arms wrapped around you.

“ Creel family

I'd like to take a moment and pray for peace and solace during this grieving time for the Creel family. Gods timing is always a mystery but just rest assured that she is filled with God's love and grace.

She is looking down on her family and friends wishing she could let you all know that she is fine and suffers no more. So Lord, may You place peace in the hearts of everyone that cared for Beverly, and let them know that one day they will feel whole again. Let the hearts mend and may you be with them during this time of need.

I did not know Beverly Creel but I knew her son Tom. He spoke so often and highly of her I felt like I did. Tom lived for his mom. He's a funny guy but one thing he never joked about was the love he had for his mother. Many guys wouldn't share all they do for their mother in fear of being called a "momma's boy" but Tom wore that badge with pride. I pray for God to heal Tom's heart as he grieves the loss and relives the life and love they shared.
