

Mrs. Beverly Suzanne Myers

October 7, 2013

Beverly Suzanne Myers was born and raised in Cambridge City, Indiana on May 14 to Albert and Ruth Fellingner along with her four siblings Jane, Joe, Bob, and Beth.

Beverly moved to Orlando in the early 60's where she took SCUBA diving lessons. There, she met and married her husband George E. (Duke) Myers Jr. Together, they raised four children, Celeste, Colleen, Clarinda, and Shawn. Beverly became a parishioner at St John Vianney Church in 1962, and in 1967 volunteered in the school office to give her children a catholic education. A year later she was hired as a full time employee and became secretary / office manager of the school. For 46 years Beverly dedicated her life to the students, parents, and Sister of St. Francis of St. John Vianney School, helping to create a loving, family school environment.

Beverly was an avid sports fan, cheering on the Miami Dolphins, the SJV Mustangs and her twelve grandchildren in various sporting events ranging from soccer, basketball, volleyball, gymnastics, football, cheer leading, wrestling,

ROTC, and motocross races. Beverly, best known as "Mama" to all of her grandchildren and their friends, attended every event she could possibly make to support her children and grandkids, including flying half way across the United States to cheer them on! Her children and grandchildren were the light of her life and she was theirs.

One of the main characteristics that everyone will remember about Beverly is her fantastic sense of humor. If you didn't receive a "zinger" card from Beverly, you missed out! She would spend hours in card shops looking for "just the right card" for each individual! She could always take a bad situation and put a fun, positive spin on it. Even during the rough times at the end of her battle against cancer, she would make comments that brought laughter and smiles to a terrible situation.

Beverly lost her battle against cancer on Oct. 7, 2013. Her smile, laughter, love and support will be greatly missed by her family, friends, and SJV family.

Beverly is survived by her four siblings, her four children, twelve grandchildren, and one great-grandson.

In lieu of flowers please make donations to St. John Vianney Catholic School Annual Fund.

“ Beverly will always remain close to my heart, i will always remember her great love of her family, and how she lit up when she talked about her children and her grandchildren. I had the privilege of taking care of her at my salon every week for the past three years. i admired her strength and positive attitude throughout her illness and life in general.

Beverly remained strong for her children and everyone around her. My heart goes out to her whole family, and I'm praying for their strength through this difficult time. God Bless,

“ *Mrs. Myers was a true symbol of what being the light of christ is. She always had a kind word for you when you were down and her jokes brighten the day. Her unselfish acts of kindness for all she met. No matter how many would gather in the office with their wants and needs she always had kind words or words of wisdom for them with a smile. The students loved her. We will miss her very much. Peace be with the family and know a little part of her will be with each and every student and teacher who have passed through the halls of St. John Vianney Catholic School she touched all of our lives.*

“ To Mrs. Myers family and friends, Here is a prayer that I want to share with you:

When I must leave you for a little while - please do not grieve and hug your sorrow to you through the years. But start out bravely with a gallant smile; And for my sake and in my name, live on and do all things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways. Reach out your hand in comfort and in cheer, and I in turn will comfort you and hold you near; And never, never be afraid to die, For I am waiting for you in the sky!

*You are all in our prayers,

SJV has certainly lost one of the best. I know you will always be looking down from above and continuing to take care of your many kids and will still be there cheering them to victory. You were one special lady and I will never forget all the nice things you have done for my family. You were the best. You showed your children and grandchildren what a perfect mom and grandmother was like. You gave them so much of yourself and they were so lucky to have you. You will be greatly missed but your legacy will live forever and I know never forgotten. I will miss you. Rest in peace!

“ Beverly,

We will miss you dearly. You always made me want to be a better parent and someday if I am half the grandparent you have been it will be amazing. Your children and grandchildren are who they are because of your loving guidance and always being there to support them, and cheer them on. You have left behind a wonderful legacy and I am honored to have know you. You have been an amazing example to my children. SJV has lost a legend! God Bless you and your family!
