“ *Grandpa love was a huge influence on my life, he was the hardest working man i know, and is the sure definition of a family man. I will never forget all our small talks, and lessons learned by him. My grandfather was the main father figure i had in my life, and i can only hope to be half the man he was. I will never forget him.*

“ We are so sorry to hear of the loss of Bill Love Jr. . I didn't meet him but once , but heard a lot about him through his Grandson Tim Love and Tim's son, Kerston. Bill loved life and his family dearly and he will be greatly missed by his children , grandchildren and his great grandchildren. My husband and I have enjoyed knowing several of the kids in the family. Bill leaves a wonderful family behind and some great memories. We hope you will live the values he lived every day. Honesty, respect, trusting and loving his family. Our sympathy goes out to each of you. God Bless!

“ My Grandpa was a very honest and caring man. I remember hunting for blackberries in the woods with him, like it was yesterday. I am going to miss all the times we spent in the garden and the loader rides you gave me. I know that when I drive down that driveway it will never be the same. He won't physically be there to wave at me or any of us as we drive by, but I am going to choose to wave as if he is still there anyway. I am going to miss you Grandpa, already do. We will see eachother again.

Love you,  
Lori
