“ *Bill,  
For the best two years of my life you & Peggy were my mom and dad. The fact that that was not permanent is my saddest reality. There isn't space here to explain how you two saved my life. You have always been the most important man in my life and I've tried to live, the best I can, in a manner you would approve. I'm forever heart broken that I could not remain in your life and absolutely heart sick you are gone. I'm heart broken that I'll never be able to tell you your time and our million phone calls were not in vain, that your influence and guidance took and that because of you, I have a good life. Mom (Please forgive my sentiment, I've never addressed you as Peggy) thank you and I love you. I'm so sorry for your loss. Bill (dad) I love you dearly, I hope there's a heaven, no one deserves it more than you.*

“ *RIP Bill. No more hospitals, doctors, needles, yucky medicine or pain for you. You were a very special person in all our lives, so thoughtful and giving, always putting others in front of yourself. Jeff referred to you as "Dad" and Taylor and Austin referred to you as "Grandpa Bill", you were considered a very special family member to us. Heaven received a very special angel on June 27th. Even though you're gone, you will NEVER be forgotten. You have completed all your hard work on this earth, now it will continue on with all of the wonderful men you raised. Goodbye "Dad"/"Grandpa Bill, until we meet again.*

“ *To the Mignault boys and their families, please let me extend my heartfelt sorrow to each of you. Mr. Bill, as he was affectionately known in the neighborhood was a wonderful, wonderful man with a heart bigger than all outdoors. We shared many laughs together and he always made himself available when needed. His journey is over, his legacy will forever live on in the many people he touched who hold fond memories of such a remarkable, loving and caring man.*
