“ Grandma growing up I always remembered being your little right hand man. I would always go everywhere with you when I came to visit NY. The one memory I am sure that Jennica and I will never forget is the song you used to sing to the both of us when we would drive down shady lane. You will be sorely missed but NEVER FORGOTTEN I love you grandma forever and always and one day we will be together again and hopefully create a lot more wonderful memories to never forget. You the greatest G-ma I love you!!! And wish I could here your voice and your laugh one last time. Your grandson Lucas

“ To the family,
Bonnie will be greatly missed and may she be
in peace. We hold all the family memories in
our hearts of our times together Bonzo, As
young siblings and as we both had families .
You always knew how to lighten up a room with smile and your silly
sayings such as "greamy , grimey goffer guts". You left all who knew
you feeling that they were the most important person in the room.
May you be holding the hands of Mom and Dad and all that have
left us and are now greeting you at the golden gates. To the family
each and everyone of you are in our thoughts and prayers, may the
memories of Bonnie help sooth the pain at this difficult time. Uncle
Jim & Aunt Jeannette
