“ So sorry to hear of her passing. We were friends since high school at Montgomery Blair. She will be missed.

“ I met Bonnie 32 years ago at The Reporting Company and over the years, she became a very dear friend. We had a lot of good times working together and after she retired, we stayed in touch and would meet for lunch or dinner every few months. She was well liked by everyone who knew her. I'll never forget the gambling stories, the coupons she would always send me (she loved a good deal, lol), the garage sales back in the day and just how she would always offer to help me if I needed something. My heart goes out to Ronnie, Diana and Carol and all the grandkids and, of course, Dexter, who was really a huge part of her life in the last year or so. I will miss her terribly.

“ My heart aches for Ronnie, Diana and Carol. She loved her family more than anything -- except maybe for Dexter. We shared too many memories to list. She was my friend from the moment I walked into The Reporting Company in 1990 and we still conversed frequently by phone and text. I think my favorite memory is when we went to New Orleans together. She was a great traveling companion! I feel like there's a missing piece of me now that will never be replaced. Rest in peace, my friend. Joy

“ This is a picture of Dexter, Mom and Dad's dog, sitting on Mom's lap a couple weeks ago. She truly loved this little guy, and he brought her great joy. I miss hearing her laugh at his antics.
