“ Gosh its so crazy that I sit here writing this knowing that you are no longer here with us, we had a lot of fun/crazy times in the trailer hood. Ill always remember our trip to cowboys for your 18th birthday such a fun time we all had! I watched you grow from your teenage years and up. You were such a good hearted kid always making everyone laugh and usually had a big smile on your face when I seen you. You will be truly missed.

“ I'm so sorry for your loss. I didn't know Brandon well but he was always very kind and respectful to me when he came to my house to pick up or drop off my daughter. He always smiled and was just one of the good ones. My heart aches...
