“ Where do I begin my friends/sistahh ! She was always saying something goofy 😜 or no matter  
What she was experiencing she was uplifting you, brandy had a beautiful smile and personality even though I loved her hood side , she was humble and loved her kids. My heart is at peace to know she's in a better place but to pick up my phone and call or text her will be the ultimate gift if I could do it one more time to let her know how much I loved her and she was a sister. We should celebrate her she always told me NOT to cry for her if it came for that time(harder to do) but I smile today knowing I got to share experiences with her and her kids ❤️ she's with her ancestor angels now (mom and bro) and I know she's with each one of her kids and us. LOVE YOU PRETTY FACE BRANDY AND S.I.P. GOD HAS A BIGGER PURPOSE.
