“ *It was such a blessing to witness such a peaceful passing. Mom asked me if I thought it would be okay for her "to rest until it was time to go", and of course I said, "yes, just rest now, everything is taken care of."*

*I witnessed so much pain and discomfort over the 38 years we were together. I am comforted to know that that she is whole and free of worry now. Thank you, family and friends, for your kind words and celebrations.*

“ *Renea and I have lost our sweet big sister much, much too soon. I am so thankful for the last few days we had with her. By Gods grace she was very clear and focused and able to tell us all goodbye. She told me that Daddy had been coming to see her for about a week and that he had been telling her that everything would be ok. She had no doubt that it was truly his spirit - we don't doubt it either. The last time I spoke to B she was slowly slipping away. I told her when God (and Daddy) came to get her it was ok to go. Renea and I went to start some preparations for her passing and Chuck went downstairs for lunch - leaving her for even a few minutes was something he rarely did. While we were gone that short time she slipped away. With no fuss - exactly as she would have wanted. Please pray for our family as we continue to care for Mom and each other.*

“ *Brenda, one of my fondest memories was coming to visit you and Charles around Christmas time with the girls. Your face would light up and you loved watching them play with all the musical decorations. I can still hear you laugh when Mia would say something funny. I am thankful that God has taken you home and you are now at peace.*

“ *My deepest sympathy and sincere condolence...., The Bible gives hope. It says that our creator Jehovah God will end all suffering, pain, and death. That we have the hope of being reunited with our loved ones.*

*Revelation 21:4 and John 5:28,29*

*May these scriptures give you strength and inner peace to cope with the days ahead.*
