“ I don't know your family personally, but your story touched my heart and soul. I am shedding tears at my desk reading this story about your courageous mother. I have 2 children myself and I would have done the same thing for them! Mothers love their children THAT much! What a sacrifice she made! What an awesome mom she was! I am so sorry for your loss. You and your family are in my thoughts. We, as human beings, stand with you in your time of need. Sending you all lots of healing and blessings!
