

Brenda Hall Preslopsky

April 25, 1956 - December 20, 2017

Brenda H. Pieslopsky (April 25, 1956 to December 20, 2017).

On the glorious day of April 25, 1956 a baby named Brenda Elain Hall was born in Birmingham, Alabama. Walter and Mildrid Hall were first time proud parents, Brenda was later joined with a brother, Rick, a sister Donna, and lastly a brother, David. They moved to Orlando, Florida, where Brenda graduated from Oak Ridge High School in 1974. She then followed her parents career path and worked at Lockheed Martin for 20 plus years. The last few years of her career she served on the Labor Union.

As a young lady she met a young man named Stephen Preslopsky. They soon become husband and wife! Throughout their marriage they had a son, Chis, and a set of twin daughters, Jennifer and Jessica. Brenda showered her kids with little treats every Valentine's day. Brenda was the spirit of Christmas, which unintentionally she spread to her daughters and nieces. Brenda was known for her kind spirit, selfless generosity, but most importantly for her HUGE heart. Her laughter would fill your heart with joy.

In 2002 Brenda and Stephen were proud first time grandparents. They came one after the other and were eventually blessed with 9 beautiful grand-kids; Alyana, Damien, Jeremy, Kyrah, Katherine, Jaylah, Stephen, Ethan, and Emilija. These babies became Brenda's pride and joy! She would give them

her anything and everything. Stephen and Brenda withstood their wedding vows "For better or worse, for richer, for poorer, in sickness and in health." In December of 2007 Brenda was diagnosed with ALS. She was told she'd only live 3-5 more years. With each year that past Steve stood right by her side, taking care of her every need. After year 5, came 6,7,8,9 and then 10. In March of 2016 Brenda was diagnosed with colon cancer, which later spread to various parts of her body. In December of 2017, her cancer spread to Brenda's brain and regrettably took her life on Wednesday, December 20, 2017 at 8:30 pm. She is the true definition of a fighter, surpassing all the doctors expectations. Through all her ups and downs Brenda always made sure to say "I LOVE YOU!" Brenda Preslopsy is the Real Wonder Woman!

“ *Everyday I think of you. I talk to you. When I struggle or have surgery, I know I'm safe because I have the most beautiful angel. Some times i get so mad. The other day I was driving and i screamed at the top of my lungs and started hitting my steering wheel so hard. I just will never understand. I would do anything to trade places with you. So you can watch your grandkids grow. I love you so freaking much....SO MUCH!*

“ So many memories shared with my best of friends. All filled with laughter and love. From phone calls of come help me wash my hair (at that time was long and past her knees), to our many talks about anything and everything under the sun including boyfriend's. One of which became her husband and the love of her life Stephan Preslopsky . Brenda thank you for the many memories, mainly the joy I feel in my heart whenever I hear or speak your name. <3

Words alone cannot express my condolences for losing such a beautiful spirit. A friend to all, the true picture of beauty, kindness, love, trust, faith, strength, and will be forever missed by so many. Brenda was not only one of my best friends, she was an inspiration, a light, a beacon, a daughter of God. She was a daughter, sister, wife, mother, grandmother, and one Alabama's most faithful fans. I will miss her smile that never wavered, her twinkling eyes, wonderful sense of humor, and BIG beautiful caring heart.

My heart and prayers are with each of her family members and friend's. I pray all will feel the love, comfort and peace of our Savior Jesus Christ during this most difficult of times. Brenda's spirit will be forever in our hearts and presence. God be with her till we meet again.<3
