“ I briefly met Brian in 2017, and only found out about his passing last December by chance which was heartbreaking. But he still pops up in my memories time to time. He was a very nice and genuine man. Big condolences to his family and friends.

“ Dear Brian, Anita & Jessica, Our hearts are heavy for you and your family. We want you to know that this sweet young man that came to us to do an Eagle Project many years ago changed lives as he would worked countless hours to achieve his goal. He made friends here with the kids and the staff and knowing that he touched our lives in such a small amount of time here on earth speaks volume for the person he was. He would always want to say hello and tell everyone with a sweet smile and his shy voice. I just want all of you to know that he touched our lives here at the Russell Home and he will always be remembered here at the Russell Home as OUR EAGLE SCOUT that made such a difference in our lives. Brian will never be forgotten and he will always bring a smile to my face when I think of him. We are all thinking of you and love you all.
