

## Mr. Brian Dean Metzler

September 18, 1965 - September 17, 2013

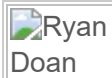

Mr. Brian Metzler was born in Hamilton, Ohio on September 17, 1965. He passed away on September 17, 2013, just one day before his 48th birthday.

It is with heavy hearts we inform you that Brian “Rhyan” Metzler has passed away. Rhyan fought an exhausting battle with cancer and unfortunately succumbed to it on Tuesday September 17, 2013. He was a kind, loving, good hearted person that was always up for something fun. He loved life, his family, and his friends –not to forget his Florida Gators- with everything he had, and was always laughing and cracking jokes. While he rests peacefully in heaven, he will be sorely missed by the loved ones he left behind.

Rhyan was preceded in death by his mother Betty Jean McVey. He is survived by his father Kenneth Metzler, his sisters Theresa Harris and Rose Garren, his brothers Jeffrey Combs Sr., Clayton Combs Sr., and Kenny Joe Metzler, as well as several nieces and nephews.

Rhyans life will be celebrated on Saturday September 21, 2013 beginning at 12:00 PM at his sister Rose Garrens home, 3235 Courtland Blvd, Deltona, FL 32738.

RE

So sorry to hear about this. I know I'm late but last time I spoke to Rhyan, he had informed me that he was diagnosed with cancer and we ended up losing contact after some time. I know him because he had adopted a little dog from my Rescue and I would visit sometimes and he always kept me updated. Rhyan was very nice and it's sad to know that he passed away. I had wondered what happened to him and the little dog I loved name Benny. They would come into my mind from time to time but tonight I ran across the paperwork and decided to look up Facebook and found a mutual friend who had made a post. My jaw dropped when it confirmed that he had passed away. Rhyan, we didn't know each other long but you have always been remembered by me as a very nice and caring person who deserved all the love you received from your friends, family, and fur babies. R.I.P.
