

Brittany Kay Reynolds

March 17, 1984 - March 31, 2022

It is with the deepest sorrow that we announce the death of our precious Brittany Kay Reynolds, born March 17, 1984, in Dayton, Ohio a daughter, a mother, and a wife. Brittany passed away peacefully and with grace on March 31, 2022, in Winter Park, Florida after a long battle with cancer. She was 38 years old. Brittany is survived by her mom, Valerie Skeen, her dad, Rick Reynolds, her sister, Erica Miller, her husband, Manny Otmane-Tani, and their son, Pierce Reynolds Otmane-Tani

If there was one thing Brittany was, it was determined. No matter what the challenge or request, she gave her all to ensure she exceeded all expectations whether for herself or others. This drive led to great success in a variety of careers. She was most notably a corporate trainer in the largest investment company in the US, a costume designer for Disney, and a spokesperson/product specialist for Chevy Motorcars.

Brittany was such a light in this world, and she will be deeply missed by all who were lucky enough to know her. She touched the lives of so many people across the world. During her time with us, she made a point to always help anyone with whatever she could, never second-guessing her decision.

She loved her family, friends, and art more than anything else. Anyone who knew Brittany knew that her family meant everything to her and in her eyes,

each of you reading this was family. She never met a stranger and was sincerely kind to everyone. She was beloved by everyone who ever met her.

She was an amazing wife to Manny, an exceptional mother to Pierce, a wonderful daughter to Valerie and Rick, a fantastic sister to Erica, and a great friend to so many others. She was beautiful, kind, funny, talented, selfless, cool, smart, funky, tough, and fearless all at the same time. Brittany was a very special soul who faced many challenges due to her diagnosis and we will deeply miss our precious little angel who enriched and made our lives better with her presence.

“ A beautiful soul before I actually met her, myself! We had just bought my husband a brand-new Chevy Silverado for his 50th birthday because he had never owned a "new" car. I came home one day to him telling me that he met Rick's youngest daughter, Brittnay, and she told him more about the truck than he even knew! He was most definitely impressed, and that's hard to do! I actually had the pleasure of meeting her a few years later, with her sweet little, Pierce. She embraced me as if we were family or had known each other for years! My heart is broken! She is a true angel! I pray for comfort and amazing memories for her beautiful family!

“ I did not have the pleasure of meeting Brittany in person; but certainly had the privilege of being with her on zoom meetings. She was always very willing to help, with an infectious smile and upbeat attitude. I was so sad to hear the news....My heart goes out to the whole family; and there are no words I can offer to alleviate your sadness. I pray that happy memories of her may help you through this difficult time.

“ We loved Brittany, here, at Cetera! For our team, she was our "chosen" trainer because she was so energetic, happy, and wicked smart. We are heartbroken that she is no longer with us, but we will keep her spirit alive in our hearts and souls.
With loving wishes,
The Cetera NBD Team: Connie, Zach, John, and Angela.

“ I knew Brittany back in the early 2000s around 2002-2003 time i used to go to Her’s and Natasha’s apt to break almost everyday we would practice and i remember when she told me her bgirl name something like bnice lol and looking at her like girl your a white girl, blond, light eyes wearing pink and being in a Latino and black dance community im gonna give you a real street bgirl name and i called her Black Muslim lol. We both died laughing so hard it was our inside joke but i made it stick and every time i would see her i would call her that for years after and all our friends would laugh. I know if she heard this going to the next stage of life she would of cracked a smile and a good laugh. Love you Brittany you were a good and kind soul and I’ll never forget the times we all had together. RIP and see ya on the other side..
