“ I'm so sorry for your loss! In these times of deep sorrow God's word provides so much comfort. Revelation 21:4 promises a time when pain and sorrow will be of the past. I hope that it gives you as much comfort as it has me in these difficult times. www.jw.org ”

“ Bruce, you will be missed!!! I always loved seeing your terrific smile when you'd walk into the office. Friendly, courteous, always smiling even when you weren't feeling the best! I first knew your wonderful wife when I first came to work at Valencia before I came acquainted with you. She's amazing! My thoughts and prayers are with her and the family. May God bless you Charla and the family with peace and comfort. Bruce, I know you're having fun dancing and being free of pain!
With love, Debbie Reynolds ”

“ What an amazing man. Bruce was never without a smile on his face, even when he was unable to have a spring in his step. He was always the happiest man in the room and he loved his family; he loved his friends, and he loved life.

Celebrate up there with Jesus for us, Bruce. Dance a jig. Make a joyful noise. We will all miss you.

MY

“ Bruce my friend and all around great guy and mentor who always had an ear to listen, a hand to hold, a heart to share and a friend who cared.

Charla it's hard to understand why people are taken from us, but find comfort in knowing Bruce were a special part of such a well-lived life. I cannot take away your pain, but I can listen if you need to talk.

*God Bless you and your family

“ Bruce is a long -time friend of ours. We have known him for 38 years. He is a faithful friend and our brother in Christ. We know he is with His Savior and that we will see him again, that is why we are going to use the "present-tense" when we speak of him. He is not "gone", he has just transitioned to a wonderful, pain-free, joy-filled, spiritual existence. Charla, you will never know how much Bruce has touched out lives.

“ Bruce was the best friend a person could have, he was patient and caring. He would listen to you and then offer the help you needed. He was my frat brother who inspired me to join the royal blue and white family of PHI BETA SIGMA. God bless you my brother!
