“ *Bruno was one of the funniest, happiest and kindest persons I have ever met, I had the pleasure of him living next door to me and my wife until he moved with his wonderful friend Kat to an apartment across town, he was getting ready to move back next door and we were very excited to have him as our neighbor again.....I never saw him with out a big smile on his face and he was always happy....he will be missed by many, but never forgotten by all who knew him.....*
