“ Brian, I remember your beautiful smile and eyes filled with genuine kindness. As a boy you were so sweet and loving. Witnessing you grow up and live your life was a gift. You will be dearly missed. May God's perpetual light shine upon you. Our deepest sympathies to the Garcia-Quiceno family .

“ The memories we made I will forever cherish in my heart. More than a cousin you are my brother. From when we were little living in New York ,excited when you guys would come over, and the playdates all of us had. When you guys visited Colombia we were so happy to have you again so we could play and show you around. Then we moved here and lived with you, and I remember always you and I going on a mission to get snacks and hide the snacks from everyone else, so we didn't have to share. And as adults thank you for being the sweet , caring and kind person always wanting to have the family together, and making sure everyone was okay. One of my fondest memory is when you made my birthday dinner. I will forever be grateful for that beautiful gesture. I LOVE YOU  
COUSIN/BROTHER!! POR SIEMPRE EN MI CORAZÓN

“ So many memories! As adults, I will remember you as someone who always tried to bring the family together. You represent unity for me. You turned into such a kind and inclusive person. Every time I visited Orlando, you made me feel as a cherished member of the family and went out your way to make me feel tended to. You had such a youthful soul. I loved the way you laughed and your playful demeanor. You irradiated light. As children, I will always remember how you introduced me to different video games that became emblems of my childhood and how you let me hoard the Game Boy to play Pokémon all day when I was visiting from Colombia. YOU WILL ALWAYS BE ONE OF MY FAVORITE COUSINS. I LOVE YOU!
