

## Bryant S Giannino

December 12, 1967 - February 28, 2014

There are no words to describe the impact Bryant had on so many lives. His free spirit and big heart will be truly missed.

On February 28th Bryant died doing what he enjoyed the most, Riding. The one person who shared his passion for riding is his big brother Leonard (Lee). The stories about their escapades are endless. Bryant and his brother Lee will take their last ride together to the mountains where Bryant's final wishes will be carried out.

Bryant's sense of family carried over to his younger brother Perry and his uncle Sal. Bryant enjoyed sharing early stories about his family.

Another accomplishment that Bryant was proud of was his 25 year career at Costco; he touched many lives and made some amazing friendships.

Four years ago Bryant's life took a new turn with the new love he found with Dawn. They didn't plan for a day they planned for an eternity and dreamed of a lifetime. He was very proud of the home they were building and the memories they were creating, bringing two families together to become one.

Last but not least is Bryant's pride and joy and his greatest love of all, his son Anthony. A dedicated father and best friend, Bryant cherished each moment

with his son giving purpose and meaning to his life.

Lord hold him tight to your heart and keep him safe. He was truly a gift to those that he left behind. xoxoxo

“ *When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too to many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. “ *Dearest Bryant, I'll never forget the day you came into our lives. You immediately won us over. We were missing a piece to our family puzzle and you were that piece. I loved that you called me Foo right from the beginning! We looked forward to a relationship of fun and family. Now, before this relationship could continue to build, It's with a heavy heart that we are saying goodbye. You were taken from us suddenly; leaving an emptiness in our lives but not in our hearts. We will miss you every day. "RIP."*

“ Since Bryant was little he always had a smile on his face. He never looked mad. It's very sad to know that he passed away at a young age. He will be missed.

*Since I am not a "biker", I don't have the experiences away from work that some of you do..but, what I would like to share, is a particular mannerism of his, that I found to be very sweet...he rarely greeted me, or any of us, by our real names...he had a nickname for everyone...in some workplaces, this is frowned upon..but, he never was one to comply easily...his name for me was "Doll"...so, I would be greeted by "hey Doll, or Baby Doll, how ya doin?" also, as many of my coworkers refer to me as "Mama"...this was not done in a flirtatious manner, but in a way that made me feel special..to him...and he was certainly special to me. It is rare that a man is as 'social' as Bryant..He loved to eat, and "share" what he was having...along with fortune cookie messages..one of the most recent said."Good times ahead, your struggle is over."...AND...lastly, on Friday, February 28, was my birthday...and at 8:30 AM, he posted on my wall..."Happy Birthday old girl...may all your wishes come true"...well..I intended to bash him a good one for that old girl comment, but I've forgiven him now..I am honored he thought of me on the day he passed away...and I will have a constant reminder of that...we shall get together...all of us...anyone who wants to participate, and toast our good friend...Love you B.*

“ I cannot believe it has been 4 yrs since my Aunt Dawn first uttered your name. We waited to see how you would fit in to our little family and upon first impression we were sure you would be a perfect match. Not because of your short stature or "fluffy" build, but because you exuded your sense of family at every turn. From your greetings, "Hey brother!" to your farewells, "Take care brother..." you made us understand why Dawn did what she did. She could be found running to show us your picture when you called, skipping to the door at the sound of your ringtone (bad reception in the house) to the beaming, bubbly school girl she portrayed anytime you or your name were involved! You treated us like family and you were making Dawn smile. You opened up your heart and arms to my cousins, Bret, Heather and Shannon, while showing Anthony things in the new family would be great. Last year you comforted Dawn and her family in their time of need and I am sure you are doing the same now! Although we did not ride together, the memories you created with Dawn, Phyllis and Scott will be cherished for a lifetime! Our lives will forever be blessed to have been a part of your life! Please watch over Dawn!

*Bryant, we love you and will all miss you!*

*It warms a heart to see so many lives impacted by a "brother!"*

“ My heart broke when I heard the news. You were like my big brother in high school and always treated my family as your own. I will deeply miss getting those big hugs at Costco. RIP

“ I am so sorry for your loss. May "the God of all comfort" (2 Corinthians 1:3,4) comfort and soothe your heart. His promises, found in the Holy Scriptures, can offer much hope. It assures us at John 5:28,29 that our loved ones will be remembered and brought back to life in the resurrection. Please allow God's Word to strengthen you and help you to endure this most difficult time.
