“ My brother and friend. I want to walk with you and laugh again. I know there will be a time for that again soon. Revelation 21:4 says that.. He will wipe out every tear from their eyes, and death will be no more neither will mourning nor outcry nor pain be anymore. The former things have passed away. Your love and Kindness will not be forgotten brother. You and your family were always so hospitable and welcoming. My deepest apologies goes out to the Henderson family. I miss and love y'all so much. I'd be there in person if I could. My family send their love to you in this hard time. Till we meet again. 🙏

“ *Calvert was my son's best friend, we called him family. He was such a gentleman and always had a wonderful spirit. When we lived in Florida most times when you saw Gerald, Calvert was not far behind. A picture of my Son and Calvert now hangs in my home as a reminder of the angel gone home. We will miss you dear Son Rest in Peace.*

“ *I lost a precious part of me
Where you once dwelled, dear friend.
A bond that spanned a lifetime
Came abruptly to an end.*

*Will my memories sustain me
Even now that you have gone?
Or will your image slowly fade away
Without your face to gaze upon?*

*I will never feel the comfort
Of your loving, warm embrace.
You will never make me laugh again
Until my stomach aches.*

*When my heart is feeling lonely,
You won't answer when I call,
And when I start to lose my balance,
You can't catch me if I fall.*

*I won't have your voice of reason
When I start to lose my way
Or your reassuring words of strength
When I'm feeling so afraid.*

*I will treasure all those good old days,
All those secrets that we shared,
So that carefree girl I was with you
Won't completely disappear.*

*I'll hold tightly to your memory
And forever miss you so.
But I'll trust that God must need you more,
And I will gently let you go.*
