“ Carl was one of my best friends and I will miss him. He was my renovation buddy and part of the crew that helped with the Chambers' Christmas project. Carl was always up for a road trip to find Christmas decorations. He was a great guy and a good friend. Rest easy Carl. I still owe you a lunch! Prayers for Brenda and Nikki.

“ It is so hard to believe that my friend is gone. I always enjoyed our conversations about cars, where they ate lunch, going on his antique picks, going to California pizza, cruising of course, going to Kohls (he wasn't a fan) and so much more. He would always hang out with us while Brenda went to Walmart. He was always happy and always had something to talk about. He really enjoyed aggravating Brenda and he was good at it. There will never be another Carl. I am thankful for for the 20 years of being his friend, watching Nikki grow up and learning a lot about antiques. Rest well my. Ellie Bowlby
