“ To whichever family member posted this obituary:

I am his sister too!!! I loved Carl with all my heart! How could you do this, use "MY" picture of him and not include me as a living member of this family??? This was done the same with David, Eddie and now Carl who always acknowledged, treated me and loved me as his sister. If you are not going to update this to include me, then take that picture down! You do not have my permission to use it!!!
