“ *When tomorrow starts without me, please try to understand that an angel came and call my name. It took me by the hand. The angel said my place was ready and having far above and that I'd have to leave behind all those dearly love, but when I walk through heavens gate I felt so much at home When God looked down and smiled at me and told me welcome home so when tomorrow starts without me don't think we're far apart for every time you think of me I'm right here in your heart love Valerie, Tina, and Latavia*
