“ *My grandfather...the most educated, respected, noble, humble, loving, full of light, laughter, positive man Ive ever met. He was loved by everyone that had the privilege to meet him. Such a beautiful soul that had not one inch of negativity in him. His departure will affect so many but as we mourn, he leaves all of us with special moments and memories that will leave a smile on our face and warm our hearts. I am truly honored to have called him my grandfather, the first 'papa' in my life.*
