“ Tia Carmen was my great aunt. She was my grandmother Theresa's sister. She looked very much like my grandmother. I remember visiting her home with my mother and siblings when we were very young. She was always kind, smiled and laugh a lot. May her soul rest in the arms of Jesus as she is welcomed into His Kingdom.
May her family find comfort knowing she is there and look forward to being reunited one day. Amen

“ *I only had the opportunity to meet my grandmothers sister a few times growing up. I loved how her eyes brightened up and she smiled when she knew who i was after they told her. Even though her illness had taken hold she still understood who i was. I wish i had spent more time getting to know her more and her beautiful family. I will forever remember the sweet and kind lady who held my hand smiling at me with such adoration. I even remember her saying at titi terry's that she had such an amazing time and wishes she could remember it. It broke my heart how this illness affected her but I know everyone will remember the beautiful little lady with a smile that can warm any heart. The dance with selenia at the last family reunion is also a moment I remember the most. It was those moments and the few in between that cemented her memory into my soul. My family and I send our condolences. With love, hugs, and prayers on this day. May she rest in peace and always remain in our heart and minds as well in spirit.*
