“ Carmen passed away on September 22, 2013, one week after her 33 birthday . She passed peacefully at home while being attended by 3 Hospice nurses and Patrick & Colleen. She had a very rare inoperable brain stem tumor that was diagnosed in the Summer of 2010 and was in remission until this spring. She was cared for by Dr. Sajeel Chowdhary, head of the Neuro-Oncology Department at Florida Hospital East, Orlando, Florida, and his great staff.

She is missed by 4 families -

Wasilla, Alaska - sons Christopher, Robert & Mathew, fine young men.

Orlando, Florida - Patrick Boyle (fiancé) and Colleen Boyle (FL Mom), Alexandra ('Pumpkin" - Carmen's kitty plus the other 4 in the gang) and the many friends she made since relocating here in 2007. Two of the Hospice Nurses mentioned above - Carmen E & Joyce were her friends, also.

Deer Park, WA - Aunt Jill & Uncle Dan, who loved Carmen & Caylon as if they were their own children.

Artesia, NM - Michael Weaver (Carmen's twin brother's partner and love of his life) (Carmen's beloved twin brother, Caylon passed away on April 26, 2008).

Spokane, WA - Mike & Terry Proctor (birth parents), sister Savannah(Charlie Wilkes), nieces Kendall, Taylor & Bailey and numerous friends.

Carmen was the sweetest person I know. She was very loving & giving. I thank God each and every day that Carmen came into our lives and made us better for it. She loved kids and animals (she was 'Mom' to all 5 of our kitties). Her favorite time of the year (not counting Christmas) was Halloween when Patrick & her would dress & sit outside handing candy to all of the kids, even the older ones.

Carmen also had a great sense of style. She chided me & told me not to dress like a little old lady and taught me to dress more contemporary. Carmen was my shopping buddy and partner in crime and Starbucks drinking companion.

More than anything, Carmen was the daughter I waited for so long. When I was ill or sad, she lovingly took care of me. and Patrick too. No matter her hurts, sickness or sadness she always carried herself like a lady with a smile on her face and forgave those who caused her pain. I got to witness her blossoming into a beauty. Her spirit shined through brightly.

Carmen, Beautiful Angel, may you rest in peace in the arms of our Lord, Jesus. You richly deserve all the love and peace that is Heaven. Dance & sing, beautiful daughter.
