“ *Stars shine in the heavens twinkling each
night
Their light brightens our path to show us
which way is right
We walk that path as straight and honestly as
we can
Hoping that each person we touch is a blessing in hand
You have given us all cherish memories we all keep in heart
So Tay as you shine on us above in heaven, twinkling your light
You'll be miss very deeply, but god has you, so keep twinkling all
through
the night.*
