“ *I met Carmen when I was 15 years old. She taught me how to cook, was a friend and a mother when I need one most. She took me to the doctor, dentist and was there whenever I needed someone to talk to and when I went into labor with my gems. Pouring cat litter on the steps so I wouldn't slip because my 1st jewel decided to make an appearance during the biggest snow/ice storm in 50 years. I give her the credit for the woman, wife and mother I am today. We shared a lot of ups and downs & lots of great memories. I will always be grateful for the years we spent together. But most importantly I am grateful for the grandmother she was to my daughters Selyna Bravo & Jalisa Bravo. She will always hold a special place in my heart. SIP Carmen & tell Wela I said hello!*
