“ *Lamento mucho esta enorme perdida y sintiendo el dolor que su familia están pasando, quiero compartir la esperanza de que muy pronto "va haber una resurrección de parte de Dios", como nos dice la Biblia en Hechos 24:15. Ánimo y fortaleza para toda su familia en estos momentos dolorosos.*

“ *Grandma Judy and Grandpa Ish accepted me as their grandson without a second thought. I had the honor to hear their stories, laugh at their jokes and I am now honored to be able to have a chance to say good bye. I regret not being around as much as I should have while they were very sick. It was really hard for me to be there knowing I would lose them like I lost my own grandmother. I wanted to remember them as the strong happy couple that made me laugh every time I saw them.*

I am grateful they were here to see their beautiful grand daughter and I marry. They both were able to enjoy the birth of our first born Jayden. Jayden was able to make a connection with them that he will hold close for the rest of his life. He randomly reminds me he misses grandpa with the white hair and demands a hug. Now, regrettfully he will have to share the pain of losing grandma. But as I explained to him, She is now free from pain and will be with the love of her life again. She will be our guardian angel and we will continue to make her proud. I truly believe that one day we will meet again.

Grandma, we will miss and love you very much.

“ *A grandmother's love
Is the sugar on your cookie,
The extra helping of ice cream,
And the last biscuit buttered just the way you like it,
She is your biggest fan,
Your blindfolded advocate,
Your own personal dreamcatcher,
Even in her greatest journey,
Her accent to heaven,
She always holds a special place for you,
And she is there to listen to your every word for all of eternity,
She is meant to guide you in
And beyond this world
May your memories and love
Bring you comfort,
And may her fuel
Spark your fire
To push through these very difficult days*
