“ *Our sympathy goes out to Larry, Stephanie and Heather; grand children, Robin was a most wonderful person and always had a good word for everyone. She will be truly missed by all of us but keep in mind she is with our Lord and Savior and no more Parkinson Disease. Yes, we are selfish and would loved to have kept her with us but one day we will again see her beautiful smile!!!*

“ *This saddens my heart to the core. I remember her making me and Heather her famous peanut butter Hershey kiss COOKIES. She would all ways give us the best advice a mom could give when we as teenagers were going through boy drama lol. I remember her making us her famous Malibu pineapple drinks too calm us DOWN, doing our hair and makeup and just being their for us emotionally as a mother figure too me. We truly lost the sweetest most amazing person I've known, I pray the Lord gives you Larry, Heather, Stephanie some kind of comfort in this HORRIBLE time, all of you are in my thoughts, prayers and in my Heart. Love you guys.*

“ *I remember, as a teenager, going with Larry to see his new love, Robin, at her home in Essex, Md. This is a love that has lasted many, many years and I am happy to say I was there at its onset. Robin will be sorely missed.*
