“ Ed, I'm so sorry to see you go in this way, way too soon. Despite all of our challenges and what we've gone through, you never deserved what has happened to you. I pray for strength for your family and loved ones, especially your children, who have always needed you the most. I'm sad that you weren't able to fulfill your biggest dreams and achieve the full potential that I know you had inside of you. I know that your children felt and now will feel your genuine love for them forever. Thank you for opening up to me, opening up my mind in my early years, and showing me a unique perspective that has contributed to who I am today.
