“ I'm happy to know you're in Heaven with our Heavenly Father and free of any pain and suffering. I'm very blessed to have known you and got to spend three full years at school with you. That was such a great time. I love you forever!!

“ I really don't know where to begin, we are all still in Terrible shock knowing that our Floridian mom has gone. When we start to plan our vacation we ask the kids what they want to do when we get to Orlando and out of all the Attractions there, top of there list is to go to ihop and see Sandy! You always made us feel so welcome and all the kids love you so much. It Saddens us to think that you won't be there to greet us the next time we visit. Although we have only known you a few years you had a great impact on our lives. We will miss you so much Miss Sandy. May you rest in peace, but know that in our hearts you will remain forever "OUR FLORIDIAN ANGEL". Until we meet again

“ In the short time you were in my life, you made such an impact on me. You trained me to have your towels ready for you when you walked in the door for your shifts, you taught me that only two things at IHOP are free 1) advice 2) and a hard time, and you made sure I knew you had plenty of the 2nd one. We talked sports, music, movies, and old times like we were friends for 20 years. You are like the mom away from home for most of the team. I will truly miss you, but take comfort in knowing that you are in heaven with the rest of the Angels. Goodbye for now my friend.
