“ *Celia is and always will hold a special place in my heart. We met many years ago and she always took amazing care of me and my family, treating me like a son and she is the mother of the love of my life, Celia Regina. For that i will always be thankful. i still say "delicious" when i eat something amazing like when she would say it in her Portuguese accent after cooking something amazing like, veal parmigiana. She loved her family above all and made many sacrifices for them in her life. May the Good Lord reward her in her time of rest and peace forever.*

With all my love, Paul M. Silva

“ *Celia was a wonderful grandmother and great grandmother. She cared deeply for her children and grandchildren. I had the privilege to meet her, she was such a very nice woman. Her grandson, Daniel thought the world of her. He would visit every chance he could. I remember the day we surprised her with he great grandson, Lucas. The smile on her face was so radiant for that beautiful moment she recognized them. She will be greatly missed by many and will be in all our hearts.*
