“ Tio you were always so loving and caring to me and anyone that was around you that didn't get on your nerves. More than an uncle a father figure at the very least, a great man simple and plain. I will truly miss your laugh and how red your cheeks got like when we were laughing our asses when we dropped the chicken that everyone ate....classic. I love you so much tio and I would've sent this sooner but my dumbass forgot to hit submit. Hope your laughing ass off in the Sky's above.

“ *I regret the fact of not getting the chance to have met you. But I know you were a great man because of how your son speaks of you. Celso Jr. shares many memories of you with me. Especially how much your family meant to you. And I know it's all true because of the many great qualities you instilled in your son. And for that I want to say; 'thank you' Mr. C Pomaes Sr. I will forever be grateful of you passing on your great genetics. May you reach the gates of heaven in peace; knowing that you did a great job on earth. May God send guidance and strength to all family and friends xoxo*

“ *Celso was always a father figure to me. I respected him and enjoyed his company. Him as well as his whole family took me in like part of their own. I have the upmost highest respect for him and all of his loved ones around him. I have never met another family so close and bonded with such love. I am grateful for the time I had with him and the memories we share. His fun spirit and outgoing personality will be remembered by us all. I hope his family has a smooth transition in his passing and bond with their strength I know they all have. He will be missed and forever remembered by us all.*  
*Love Jessica*
