

Chanda Lynette Brewer

May 5, 1974 - December 1, 2019

Chanda “Peaches” Brewer was born May 5, 1974 to Herman & Beverly Brewer in Little Rock Arkansas, on her brother, Stephen Brewer’s 4th birthday. Not only was she a joyous present to him but to the world. After the passing of her mother, she was welcomed and raised as a daughter by her Uncle and Aunt Keith & Erma Wiley. While living in Little Rock, Chanda fulfilled her dream of becoming a mother. With great pride and joy, she blessed the world with three beauty children, Taylor, Bratiana, and Jermaine.

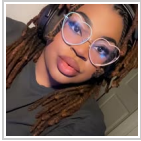

Later in life, she made the decision to relocate to Orlando, FL. With this relocation, Chanda not only gained a network of friends that would become close as family, but she was blessed to become a grandmother or “Gigi” as she referred to her role. At times, it was clear that her love for her granddaughter’s exceeded the love for even her own children. She was a wonderful mother, outstanding grandmother, a great sister, and a loving friend. She was funny and brilliant but also knew when to be stern and deliver tough love. A living firecracker with a smile that made the sun jealous. That same smile was so contagious it could put a smile on the most cold-hearted person.

Our mother dedicated her life to Medical Science and even achieved her dream of working the Pharmaceutical field as a compounding pharmacist technician. Additionally, she was proud member of New St. Mark Independent Free Methodist Church, under the leadership of Pastor Joshua Reed, Sr.

where she served as stewardess and as a member of the contemporary choir.

Chanda "Peaches" Brewer leaves behind her three children, Taylor Brewer Wright (Tyree), Bratianna "Bre" Galmore, and Jermaine Morris II. Her six grandchildren Greyce Brewer, Journey Thomas, Rayne Wright, Starr, Skyy, and Solana Galmore, brother Kevin Wiley (Taniesha) and a host of nieces, nephews, friends and loved ones. She is preceded in death by her mother Beverly Brewer, Aunt Erma Wiley, and elder brother Stephen Brewer

“ It’s been a year. I’m torn to pieces. I lasted a year. I miss you more than words can describe. The girls are getting so big. You’d be proud. Tytan is such a beautiful and amazing little boy. You’d love him plus he looks like us lol. Not a day goes by that I’m not thinking of you. I thought I wasn’t gonna make it. So much has happened in this last year and so many things has fallen apart. You truly was the glue. You just don’t know how many lives you’ve affected and touched. Happy Anniversary mamma. I hope you found paradise.

“ 5 in a half years ago I remember seeing you for the first time picking up Taylor from work. Who knew shortly after I'd be added and accepted into the family. I remember standing next to you at the hospital holding your hand and you couldn't see because of glass in your eyes (due to a car accident) and that was the first time I told you out loud that "I love you and I'm here with you". Taylor is still upset they only let me go see you.

As I had the chance to get to know you better, I couldn't understand how you overcame so much when the odds were heavily against you. You did what you wanted and made the most out of everything. We shared a ton of great moments together. I have a huge amount of love to your children and grandchildren. It's amazing how it's so much of you in them. You're not gone, you are just spread out in different forms. You were very exhausted and now you may rest easy. Gone but never forgotten, always carrying you with me. I will deeply miss you and I love you for all eternity.
