“ *I don't know what to say, in my mind I am acting like you still here enjoying retirement with a beer in your hand and I think I am going to stick with that idea instead. But I know you are in heaven dancing the nights and days away being an angel to your kids and in no more pain .You were awesome and I know now that you up there you even more awesome. Will always have you in my heart .*

*Love you Charlie , Nazareth Claudio*

“ Still thinking back to when I first met you.... Such a sly, cool dude, kind at heart and loved the ladies. Generosity widespread. All around great man. Thank you for the smiles, and laughter you spread in the office. You will be greatly missed.

“ No one takes the passing of of a loved one easy, but God knows best . Our cousin Charles will be missed but we know that he is resting peaceful with his loved ones who has gone before him.

To the kids time will heal the pain of the loss of your dad, but the love and memories will live on in your hearts and his spirit will always be watching over you.

Love always,  
Charles Gloria & Inez Ford.
