“ *This is still so real to me. I am not supposed to be posting my last thoughts of you this early. Your supposed to be old missing gold tooth and me pulling up with my hoveround. Now I will never hear this short man walk up to me and say what's up lil cuz. You won't never have to worry about your girls. Trust me I will do anything in my power to have them turn out like me. They will be smart, bougie and very independent. I love you big cuz*

“ Damn Homie, sometimes its just unbelievable to me how everybody close to me who I grew up with just leaving like its nothing. I sit here and think when is my time to reunite wit my friends and family so we can start our life all over again and do things different to live longer and have a better life. This is a cruel world and sad you had to go so soon. Until we meet again.....Rest easy Homie.
