“ Charles was one of my closest friends for the past 50 years. The Lord first put us together at the University of Miami athletic department in 1979.

We remained close friends as we both moved to different universities. Charles loved the Lord and our Christian faith was another bond we shared.

The past 25 years, I would send Charles clippings of the NC State football and basketball teams since he was an avid fan of theirs. I also worked at NC State so we had that in common also. Charles would send us periodic sports update letters, always filled with facts and humor.

I am so glad that Charles is in Heaven now where there is no pain, no tears, and no physical limitations; just the perfect happiness of being in the presence of the Lord and other true Christians in Paradise.

I thank God for the precious friendship he gave Charles and I and I look forward to the day we can spend unlimited time together in heaven.

We are praying for Helen during this time of great loss; that she will experience the strength and comfort that God will provide.
