“ I was not aware that she died. My condolences to the family. Izzy and my son were in gifted classes together 1-3 grade. Charlotte loved venturing out to the beach with us. She would push her mobility to get in the water and bob with the waves. I introduced her to plumcots (plum- apricot hybrid) she thought the name was hilarious and the taste was delicious. Izzy you are in my thoughts regularly. I hope you are doing well. Find me on Facebook or text me 4075564888

“ I was so saddened to hear the news. I have many fun memories of growing up next door to Charlotte. It was so good to see her in 2018 at our high school reunion. May she rest in peace, and may we all find comfort that she rests with Skip, Bethany, and other dear loved ones.
