

Christian Crespo Lopez

October 6, 1989 - July 13, 2021

Born in Fajardo, Puerto Rico on October 6, 1989, Christian moved frequently and saw a lot of the world before he, his mother, aunt, and younger brother ended up settling down in Florida. It was there that he met his wife Michelle in 2008, he really saved her from a bad situation and she did the same for him. It was meant to be. Michelle knew within the first month that they would spend the rest of their lives together. In January 2010 Christian's mini me was born, we named him Kaiden. He and Michelle officially married on 04/04/14 and were each other's support system, spending everyday together since they met in March 2008. They were best friends, lovers, soul mates, family, and so much more.

Christian is survived by his son Kaiden, his wife Michelle, his mother Carmen, several uncles and aunts, and his two brothers Isaaz and Benjamin.

Christian was an amazing father, husband, brother, son, and friend. He is now and always will be missed and loved by so many. He impacted the lives of many and always went above and beyond for anybody even if they didn't do the same thing for him.

He passed away in Orlando, Florida on July 13th very unexpectedly. Although Christian was only 31, he had many very serious health issues. So if anything; let us take solice in the fact that he is no longer suffering and won't suffer

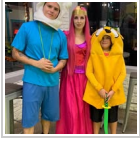

worse in the future. Just know, he IS watching over all of us, and protecting us still even though he is not here physically. Keep his memory alive, and always keep a place for him in your heart. Tell Kaiden all the great memories you've had with his dad whenever you see him. He is 11 years old and he was with his wife for almost 15 years, they are both just in need of love and support.

Christian, the world is a darker place without you in it. Your laugh, your voice, your love. Please keep watching over us. You will forever be missed, Te Amo hasta la Luna y de regreso. Pare siempre.

Christian's beliefs were built upon a foundation of compassion, empathy, justice, bodily autonomy, and science. Because of this, he proudly identified as a Satanist, and found meaningful community amongst a congregation called Satanic Delco.

Finally, in remembering and respecting Christian's beliefs, we keep in mind the phrase he used regularly to express a genuine excitement and satisfaction: HAIL SATAN! ♥ Use it often, in his honor.

My heart is broken.
I wish I knew.
I would've taken a million more.*
