

Christie Lea Parker

August 25, 1952 - October 15, 2016

Christie Lea Parker, 64, resident of Orlando, Florida, left this world in Angels arms with a smile real and true on Saturday Morning, October 15, 2016.

Christie was born August 25, 1952 in Birmingham, Alabama to Ethel and Joe Bishop.

Christie was a beautiful person, inside and out, and will be missed dearly. She touched many with her kindred spirit and her unconditional love for animals, which lovingly earned her one of her nicknames "Ellie-Mae". Her family, her kids, her grandchildren, and her two crazy dogs were her true treasures. She was their "G" and they were her everything.

She was preceded in death by her grandparents, her father, her brother John and two beautiful grandchildren Hillary and Cade.

She is survived by her son Marty (Christy); daughter Michele (Michael); her mother Ethel; her sister Jennifer; and brothers Jeff and Terry; grandchildren Brittney, Trey, Lexi, Lauren and Nolan. Fur-babies Veda and Darby.

A Celebration of Her Life will be held on October 29th at Coquina Beach Park in Bradenton Florida starting at 3pm with a picnic style gathering followed by a sunset remembrance ceremony on the beach. The address is 2650 Gulf Drive

Bradenton Fl 34217

In Lieu of Flowers please make a donation to the Pancreatic Cancer Action Network in her memory to help others fighting this same battle:

“ I met Christie back in the early 1990's at work in Indianapolis Indiana. We became fast friends. We took vacations together and made great memories in Sanibel Florida. She was so kind and I loved her instantly. We could tell each other anything and everything. I will miss her so much. I will always love you Christie and you will always be a part of me.
