“ *Chris I miss you, I love you, and I will always remember you. I wish I was there for you. I wish I could talk to you again. My heart is broken, you left us too soon. I remember hanging out in my garage after class in Middle school and High school. We played pool and darts at my house. When I think of you I think back to those days. We enjoyed life had a lot of laughs, had some bad times too, I was there for you and you were there for me. I should have stayed in better touch, I wish a went out of my way to come see you.*

Chris was the kind of guy you wanted on your side. Very protective as a friend. He cared more for others than he did himself. He had a big heart, a big smile and a goofy laugh. He inspired me. I wanted to be like him. He will be in missed but never forgotten. Good bye my friend.

“ Chris I miss you so much. You have been my best friend since 3rd grade and I'm forever grateful to you for your time, your friendship, your encouragement, and your laughter. No matter what was going on in our lives I knew I always had you. I could always call you and we'd talk about...we'd laugh and joke and eventually I'd be able to refocus on what makes life great. I can't believe you're gone and I don't know what to do now. I love you Chris I'm so sorry and I'm sorry to everyone else. I'm silent for hiding when I should be talking to you. Nanny, Crawford, Jonathan. I'm sorry but this is breaking my heart. And Wyatt I only met you for a short time but I was your father's best friend and he was the greatest man I've ever known. I know you can rise above this and follow in his footsteps. Be a wonderful man just like your father.

Goodbye Chris. I'll never forget you and I'll always love you like a big brother.

There are typos in here. I'm sorry but this was very hard to write either way. This is the first time in a few weeks I've been able to acknowledge this. Please forgive me
