“ *I'm thankful for the memories I have of our friendship. Times together at the YMCA, having lunch, or more recently our sweet visits at Inspire. My heartfelt condolences to the family. My comfort is the knowledge that she is now at peace with our Lord Jesus.*

“ *To love and cherish, honor and respect, in sickness and in health, till death do us part! We took care of each other and did everything together! Clare lived life every day and family was what she really enjoyed! Family holidays, dinners, friends eating having drinks was her joy! So lastly to friends and family, live more and always see the good in everyone, like Clare did!*
