

Clinton Reginald Brooks

November 25, 1927 - November 16, 2023

November 16th, 2023 marked a deeply sorrowful moment for us as we've encountered an unparalleled heartache. Clinton Reginald Brooks, at the age of 95, peacefully departed from this world after succumbing to a sudden illness. Nevertheless, we find solace in the fact that he lived a truly meaningful life and found comfort in the presence of his beloved family during his final moments.

Clinton was born on November 25th, 1927 to his parents Stanley and Roslyn Brooks. He was raised in Manchester, Jamaica and later migrated to Kingston, Jamaica, where he lived for 50 + years. He enjoyed watching cricket and spending time with his wife Viola Brooks, children and grandchildren. After his wife's passing, he moved to Orlando, Florida to reside with his daughter Neuva McMillan (Patsy) and to also be closer to family. While living in Florida, he became fond of the outdoors and traveling on road trips. He loved waking up every morning and watering his precious garden.

Clinton Brooks spent most of his career as a highly praised electrical engineer at Seprod. He worked for the company for 20 years before retiring. Despite his professional accomplishments, those who knew him would describe him as a loving husband, father, grandfather, great-grandfather, brother, uncle, cousin, and friend. Clinton Brooks was a man of many qualities and lyrics, and his presence will be deeply missed.

He is survived by his brothers Roy (Aldith) Brooks and Raphael Brooks; daughters, Neuva (James) Brooks-McMillan, and Carol Brooks; Sons Easton (Sylvia) Brooks and Lloyd Brooks. Leaving a host of grandchildren and great grandchildren that he loved and adored.

Rest well our very dear friend.

“*Mr. Brooks or Brookie as my dad Sydney Heslop frequently called him was a rock solid member of the Chisholm Community. He lived in the community for decades with his beloved wife Ms. Brooks and his daughter Patsy for decades before she migrated to the US.*

Mr. Brooks was a veteran electrician who was always disposed to help his community members resolve an electrical challenge in their homes. Needless to say, he was a kind man and had a real presence in our community.

He was typically quiet, loving to his wife and was always at the ready to extend a fatherly advice to us the younger generation.

Mr. Brooks was a funny elder who would always “Bruk yuh up” with uncontrollable laughter. He and his brethens like my late dad Sidos, Mr. Campbell and Mr. John among others would periodically have a drink of Jay Wray and his Nephew sometimes they had too much which left them with a strange language and an equally strange walking style which was the spirit of J Wray and his Nephew at work in their heads. 😊😊

So much more could be said about this lovely human being, the unforgettable and loving father to Patsy and her siblings but suffice it to say, there is no one who can fill his shoes. He is already missed from the hour he left us and he will always be missed but his example, his laughter and his unique presence will never be forgotten. Mr. Brooks was and his a shining example of what humanity can and should be.

May his spirited and loving soul RIP!

Michael Heslop - November 30, 2023 at 08:42 AM

LC

Mr. Brooks or brooksie as he was affectionately called was a good human person. I can recall the many interactions we had at Wayne's place over a beer touching on literally every subject. Cricket was his favorite. He called me Dan as called my father, they were good friends. The generation gap never got in the way. We would meet up quite regularly at waynie and it was always a good time spent. He was a good person to be around. May his soul rest in peace and light perpetual shine on him. The Cyrus family regrets his passing.
