“ I'm so sorry to hear about the passing of Chuckie — gone far too young and far too soon. My heart is truly saddened for you and your family as you walk through this loss. I will always treasure a special memory of Chuckie that only he, my brother Jim, and I share. Please know that we have been lifting you in prayer, asking that you feel God's comfort, strength, and love surrounding you during this time of grieving.

“ Still in shock and sadness of the unexpected passing of my dear cousin.

So many childhood memories of him just being a really good guy always the first to be the peacemaker in our childhood conflicts, always upbeat with that cool factor. He was one of a kind with a big heart to all who new him. gone much to soon.RIP sweet chuckie.

“ It was hard to try and share one memory when I have so many great ones. However, my most favorite is when our entire family disowned me Chuck never did. We all wanted to be as cool as Chuck. He made everything he did look so smooth. I'm going to pray for Charlene, his kids, and all the other people who love Chuck to heal fast. In Jesus name amen

“ My name is Josef and I grew up with Dexter and Gregory and Ashley. They are my cousins but always felt more like siblings. I always felt at home with my uncle chuck. Every time you seen him you knew you were around real family. He was a good man who always put his family. I will miss him dearly. I love you uncle Chuck.

“ I was deeply saddened to hear about the passing of Chuck. Chuck was much more than just a cousin- he was a light in our lives, full of warmth, laughter, and unforgettable memories of our childhood. His spirit touched everyone who knew him, and his absence leaves a space that cannot be filled. My love and condolences to his wonderful wife Charlene, his children and his sister Ashley.

“ I just want to say how heartbroken I am losing my cousin and friend Cranston Cornelius “Chuck” Caruthers III
I just saw him a few weeks ago while he was doing a promotion at the store that he managed. He was always a hard worker and never without a job. He was my friend and a brother to me.
My heart goes out to the rest of the family who loved him his wife, Charlene and their beautiful family, Ashley his sister and all his sons. You are forever in my heart Chuck you made this world a better place. A good husband a good father, a great career man and a genuine kind soul. I’m gonna miss you, buddy. Fly to Jesus and live!
