

CSM(R) Michael I. Bobb

December 18, 1962 - September 12, 2018

Michael was born 18 December 1962, to Claudius and Yvonne Bobb in Port of Spain, Trinidad; he was one of five, rambunctious, intelligent children. He was a shy, well liked young man who grew to be a well-established and accomplished soldier in the United States Army. Michael was an Infantry Airborne Ranger who enjoyed helping others, regardless of their background or origin. He served four tours in Desert Storm, Desert Shield, Operation Iraqi Freedom, and Operation Enduring Freedom. Michael thoroughly enjoyed collecting stamps and coins, while also sharing his experiences with others over a nice hot, home prepared meal. After his retirement, he appreciated his free time by engaging in various projects throughout his property and also by giving back to fellow veterans through time and work. Michael was the epitome of a family man, always offering any help needed, regardless of relation. He was an extraordinary man who helped shape the world into a happier place. His memory and service will live on forever. He is survived by his wife Dee, their three daughters, and two grandchildren.

“ *Our deepest condolences to CSM Bobb's family. When CSM Bobb and I were in transition with the Raider Brigade, he made me feel like family, when I would have to travel from Fort Carson to Fort Hood. Although it was a very short time, but his kindness and professionalism will remain the cornerstone in my memory. I remember kidding about Mrs. Bobb being the real R7.*

Mike was a great American, leader, mentor and friend. I appreciate you for ensuring our battle hand-off went smooth under the traditional conditions. Continue to rest peacefully my friend. Lots of love from the Raider Family.

God bless you and you family.

“ *First of all my sincerest condolences to Mikes family. Mike was one of my best friends as a teenager and he was a stand up guy. He was cooler than cool singing soprano and pulling out his nunchakus and whizzing them around at lightning speed. He was also a track star and after he left for the service he would pop in now and then and he and Dave L and Ray O and me and the rest of the old gang would have a great time reminiscing together about our crazy youthful times together. Mike made us proud with his service to the country and I regret that he can't be there when we get together as old men and relive our lives together. I love you Mike and I'll never forget you and I'll be praying for you the rest of my days until we meet again.*

*I love you brother,

“ A Tribute to Michael Bob,- you will be sadly miss my cuz and my dearest friend. May perpetual light shine upon you and may you rest in peace.

You can kiss your family and friends good-bye and put miles between you, but at the same time you carry them with you in your heart, your mind, your stomach, because you do not just live in a world but a world lives in you.

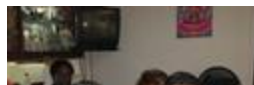

Some family is not of blood but when the heart loves fiercely, that is what makes family. It does not matter if you are related to someone by blood and DNA, the heart with which we love and are loved, as well as the depth of sincerity of it, is what is really important.

When you take your family for granted, the relationships can grow stale. Invest the time and energy needed to keep your connections with your family strong and full of love. Visits, calls, emails, and interaction on social media can ensure you keep cultivating your familial relationships.

All this exactly what Michael has given to Alex and I and everyone home. Every time he visited us with his wife Dee or by himself; it was always a joy to see them every time. his stories were amazing to hear. He was an inspiration especially to Alex!

To Dee, Auntie Yvonne, Marlene, Tony and Claudette may God give you strength and healing through this difficult time. We are all here for you guys.

You will be missed but your memories will live with all of us. 😞😞
